

Reflection Spaces

- Seating areas adjacent to the gravesite allowing for quiet reflection.
- Food/medicinal plants pertinent to representative tribal groups to be planted within quokka-proof enclosures.
- Seating layout and form to be determined in consultation with Aboriginal Groups.

Viewing Terrace

- Seating and shelter overlooking Garden Lake and towards Wadjemup Hill

Sculptural Sentinels

- Sentinels to provide a threshold between the pedestrian areas and known extent of gravesites.
- 400 sculptures to be commissioned from selected aboriginal artists designing for their tribal group.
- Sentinels to face east towards the mainland - detail at base may point to the direction of Country.
- Base detail may contain stabilised earth collected from the part of Country where the sculpture originates.

Entrance lookout and shelter

- Interpretation entry structure accessible from Quod and Kitson Streets to provide shade and shelter.
- Rammed earth walling to be incorporated using earth collected from the various parts of Country.
- Structure to act as the main gateway to the site having prominence within the heritage precinct and being adjacent to the Quod.
- Interpretive elements to be incorporated within the entry shelter.
- Major interpretive elements to be located in Quod.
- A flagpole & light to be installed at entrance.

General

- "Kissing" gate type elements across pathways to discourage bike use.
- Bike racks to all entrances to site.
- Continuous line of stone edging to gravesites using small limestone rocks from the island, denoting known extent of burial site.
- Use of roof water collection from Quod and entry shelter for plant establishment.
- Winnit Club Camp to be relocated.
- Interpretation of Winnit Club campsite & memorial tree to be provided.
- Tuart trees to be selectively pruned to remove dead wood.
- Exotic trees with no relevance to aboriginal groups to be removed from site.
- Recommended upgrade of heritage precinct to the south-east of the burial ground.
- Recommended upgrade to the European Cemetery.
- Planting of *Melaleuca lanceolata* and *Callitris preissii* around perimeter of site.

LEGEND

- Existing trees to be retained
- Existing structures/trees to be removed
- Path
- Proposed structures
- Reflective Spaces
- Food/medicinal plantings
- Melaleuca lanceolata* & *Callitris preissii* plantings
- Sculptural Sentinels
- Major pedestrian entry
- Minor pedestrian entry
- Future road connection
- Limestone edging

WADJEMUP BURIAL GROUND: Concept Plan
