

Membership & Donation Form

The Rottnest Foundation was formed to allow anyone who loves Rottnest Island an opportunity to support its conservation, to ensure it continues to be enjoyed by future generations. Your membership or donation will contribute directly to our Island projects.

As a member you will be sent regular updates on our current projects, have the opportunity to attend our tree planting days and get to meet lots of people who are passionate about Rottnest.

Our Mission

To conserve the unique environmental and cultural heritage assets of Rottnest Island by encouraging community involvement and raising funds to support projects that 'Conserve the essence of Rottnest'.
